Gary/Val,

You should re-schedule the cap inspection to around June 10, 2015, (or longer) to make sure that you are able to inspect the cap. CAS

Subject: RE: San Jacinto Cap
Importance: High

Gary,

See below report received from HC Flood control today. Looks like the site may be under water come Monday....Bob Allen

San Jacinto River (below Lake Houston):

River will rise above flood stage on Thursday and remain above flood stage until this weekend with a crest near 11.2 ft on Saturday. Possible subdivision that may become cut off: Rio Villa and Banana Bend.

Subject: San Jacinto Cap

Folks,

I will be going to the San Jacinto Site on Monday, 6/1/15, at 1:00 pm for a visual inspection of the cap over the waste pits; please let me know if you or others would be interested in joining me. There will be a brief safety meeting prior to entering the site.

Regards,

Gary Miller
